*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

In consideration to a continuous improvement process of Phoenix Contact Push-in terminal blocks, there will be a change that effects the design of the covers mentioned below.

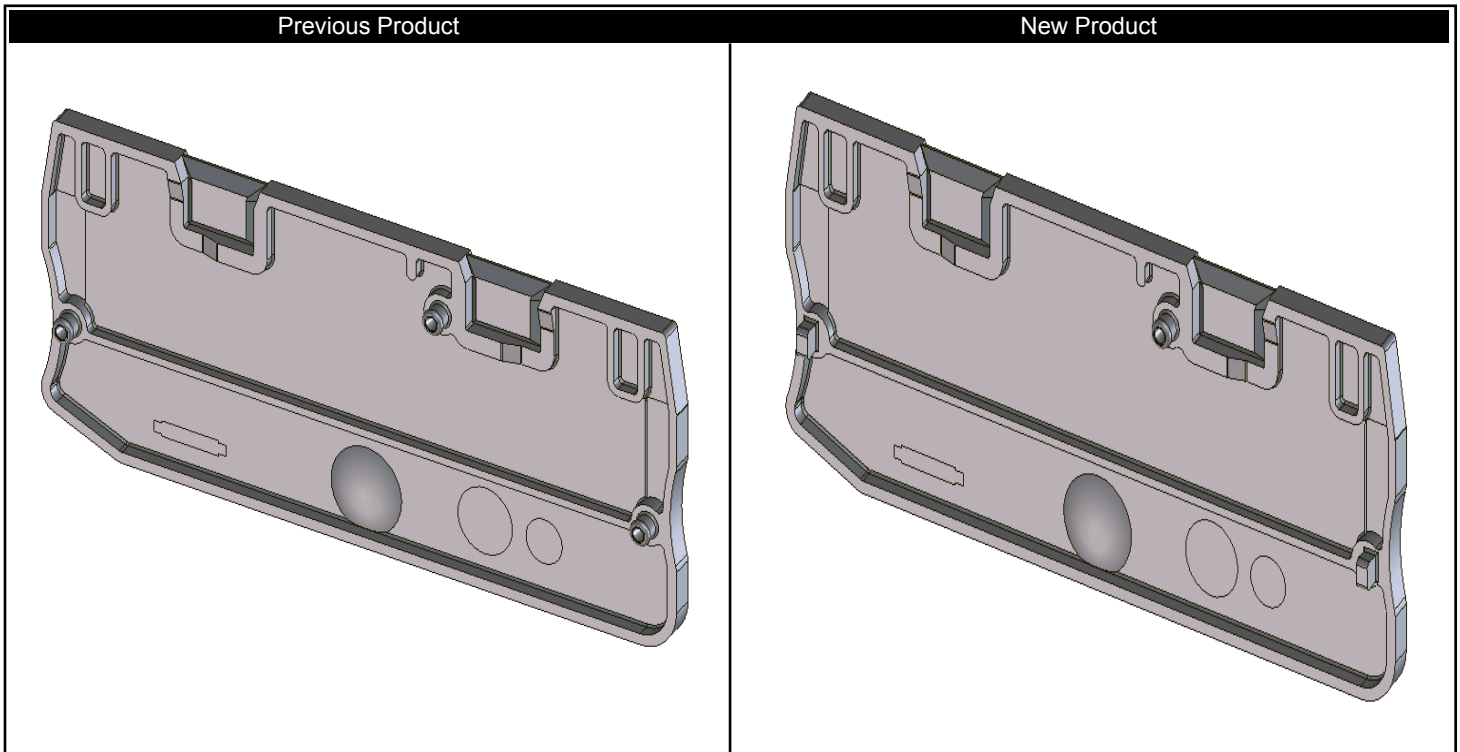

The change effects the snapping pin of the covers which are changed slightly to achieve an improved fitting. Therefore some pins are changed from round to rectangular. This change has no influence to the compatibility or the electrical performance of the products. Old and new shape are interchangeable.
