December 1, 2021

Dear Valued customer,

RE: Product End of Life Notification (coin capacitor XH414HG)

This letter is a formal notification that Seiko Instruments Inc. is initiating an end-of-life (EOL) process for our coin capacitor, XH414HG. After a thorough review of our product offering, we have come to the conclusion that it is difficult to continue the production of this model, given the current demand forecast.

We will further promote the improvement of our product lineup in order to provide you with high-performance, high-quality products. Please contact the local representative of Seiko Instruments with any question or concerns. We appreciate your understanding and cooperation.

1. Affected model

XH414HG (Coin capacitor / Capacitance: 80mF)

2. Schedule

Last time buy date: December 31, 2022

Last shipment date: March 31, 2023

3. Replacement models

A) MS421R IV03E (Rechargeable battery) Nominal capacity: 1.5mAh

B) ML414H IV01E (Rechargeable battery) Nominal capacity: 1.0mAh

C) CPH3225A (Chip capacitor) Capacitance: 11mF
