Subject: PCN# 02220725-02 Product Obsolescence Notice – Last Time Buy
CTS Customer Notification,

CTS Corporation (“CTS”) appreciates and values its business relationship with our customers. This letter is being sent to advise CTS customers that manufacturing of discrete products from the Hopkinton manufacturing site is being discontinued. These products are being discontinued due to declining market demand and raw material logistic supply and/or obsolescence. Please see the attachment for the specific impacted part numbers. You are receiving this notice because you have purchased these products within the last 2 years.

Please assess your product needs and place a last-time-buy (LTB) order no later than September 1 or 16, 2022. (see date on following list) Quantities may be limited. The conditions for any LTB order are as follows: 1) order requested dates, 2) only products purchased in the last 2 years, with market price adjustments, 3) availability of raw materials, and 4) factory loading. If CTS accepts the LTB order, we will confirm the delivery schedule by September 30, 2022

We have set-up the following email address to assist our customers with possible product substitutes: ECApplicationengineer@ctscorp.com Please review the details with your customers and utilize this dedicated email address to contact CTS about possible replacements for the obsolete products. We apologize for any inconvenience this announcement may cause.

Sincerely,

PCN Team
