*See the attached impacted parts list more detail. Customer part list may include different series of items other than above which may manufacture in other Molex entities.

- Product impact:

RETAINER may see a color difference. See the pictures below.
REC HSG and Terminal, there is no expected change regarding form, fit and function.

After Change

- There is a material shortage issue, no guarantee of recovery time frames, Molex decided to change materials in order to secure for the future safe delivery, also decided to add two copy dies for terminals.
- Identification:
For the first 6 months of the production start by the alternative material, we will add "M" at the end of Traceability number (see the picture below) of the carton label to identify products made from alternative materials.
- If no PPAP requested by 2021/11/01, the PPAP will be considered approved.
- Qualification Reports and samples available upon request after the date shown above 11th of Oct,2021 for housing and TPA but Terminal report will be available in 8th of Nov.
