

## Product Change Notification

### RF200P81 & RF200PU1 End of Life Notification

**Issue Date:** October 1, 2019

**Effective Date:** October 1, 2019

#### Devices

Part Number	Description
RF200P81	RF Engine Through-hole, ATmega128RFA1, 2.4Ghz, Chip Antenna
RF200PU1	RF Engine Through-hole,, ATmega128RFA1, 2.4Ghz, U.FL Antenna

#### Description of Change

The RF modules listed above has been transitioned to End of Life and will no longer be offered for sale. See below for recommended alternatives.

#### Reason for Change

Demand for these modules has dropped off to the point where no new builds are no longer economically feasible at minimum order quantities.

#### Recommended Alternative Product(s)

The recommended alternative for each of these modules is the RF220UF1 which offers a selectable internal F antenna (substitute for RF200P81 replacement) or external U.FL antenna connection (substitute for RF200PU1 replacement). Information about the RF220UF1 can be found at:
