

March 19, 2021

Dear Customers,

In a continuing effort to provide products that meet market needs, Advanced Energy periodically provides notification regarding end-of-life status for products that are no longer in demand and / or are being discontinued due to other factors.

With this notification we are announcing the **end-of-life status for LXC, LXD, LXV series of LED drivers from Excelsys, effective 30 April 2021**. See the product / part numbers listed below.
