1 Introduction

Logic PD is announcing the required migration of the SOMAM1808 models to the new model numbers provided in the table below. This End of Life (EOL) notification serves as notice for dates of last time buy and last time ship for the discontinued models. This discontinuance affects all model configurations of the SOMAM1808 products.

Discontinued Model Numbers	Replacement Model Numbers
SOMAM1808-10-1602QHCR	SOMAM1808-10-1603QHCR
SOMAM1808-10-1502QHCR	SOMAM1808-10-1503QHCR

2 Migration Details

This product migration is required due to the impending obsolescence of the 64 Mbit Micron NOR Flash (part number M25P64-VME6G) used on these products. The replacement product models will replace that obsolete memory device with a new 128 Mbit Micron NOR Flash part (MT25QL128ABA1EW9-0SIT). Therefore, this migration results in a larger NOR Flash memory density for each affected model. There are no other form, fit or function changes involved in this product migration.

3 Last Time Buy Date

The last time buy date for all products will be May 31, 2018. All orders will be considered non-cancellable and non-returnable (NCNR). Order quantities may be limited by the remaining supply of the obsolete NOR Flash memory.

4 Last Time Ship Date

The last time ship date for all products will be November 30, 2018.
