

## Not Recommended for New Design: EEV-EB Series Surface Mount Aluminum Electrolytic

Capacitors 11.03.2021

11.03.2021

<b>About This Notice:</b>	The EEV-EB Series Surface Mount Aluminum Electrolytic Capacitors have been designated Not Recommended For New Design due to a decrease in the market demand.
<b>Features:</b>	Large can size (10-18mm diameter), High voltage (160-450V)
<b>Effective Date:</b>	Immediate.
<b>Affected Parts and/or Replacements:</b>	See Attached.
<b>Datasheet(s):</b>	See Attached.
<b>Notes:</b>
