

520 Park East Blvd., New Albany, IN 47150 U.S.A
(812)-944-6733 / 1-800-SAMTEC9

Product Change Notification

1. ECR #: 207127
Notification #: 597

2. Date of Announcement: August 19, 2021

3. Series:

- EPLSP - EPLSP CABLE ASSEMBLY, EPLSP CONNECTOR

4. Part #'s Affected

- EPLSP

5. Description of Change:
 The label information on this cable assembly is being updated for improved tracking purposes. Currently, the label information consists of part number, shop order number, and date code. The updated label information will consist of a QR code, serial number, and part number.

6. Method of Identifying Change
 The old label will show part number, shop order, and date code. The new label will show QR code, serial number, and part number.

The update to label information is shown here.

<p><u>Currently:</u> EPLSP-XXX-XXXX SHOP ORDER DATE CODE</p> <p><u>UPDATED:</u> QR CODE SERIAL NUMBER EPLSP-XXX-XXXX</p>
--

The shop order and date code information are being replaced by a QR code and serial number.

7. Reason for Change:
 The current label information allows for tracing back to the order line number and manufacturing date. The updated label information allows for further tracing down to the individual cable level.

8. Impact of Change on Form, Fit, or Function:

- Form - The information displayed on the assembly label will be updated.

9. Projected Implementation Date: September 18, 2021

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
