Re: RFP-4047, RFP-4053 & RFP-4243

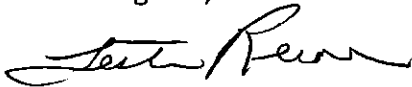

With a history of declining sales, we cannot justify continuing of offering these items. We regret that these models will no longer be supported effective July 1, 2017. Anaren is offering last time buy for minimum order quantity 75 of each item with a delivery of 24 weeks ARO. These will be NCNR. Must receive order no later than April 1, 2017. Please consider this letter the formal notification of our intent.

Your contact point regarding this correspondence is:
