

Product Change Notification

TE Connectivity

Product Change Notification: P-22-023520

PCN Date: 19-OCT-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Terminal Junction Modules

Description of Changes
TE Connectivity (TE) is validating a second source. This is a source move only, no part change. The parts will be first article approved and validated prior to production assembly and use. In this situation the part is the THREAD BUSHING.

Reason for Changes:
TE Connectivity (TE) is validation a second source due to close of business from current supplier. There will be no change to the form, fit or function of these products because of this supplier change. The design of the components will remain the same and all part numbers remain unchanged. Current manufacturing location country of origin: Pennsylvania, USA. New manufacturing location country of origin: Andhra Pradesh, India.
