

## Product Obsolescence Notification

**Issuance Date: July 18, 2017**

**End of Life (EOL) Product P/N's:**

**ISM420R1-C33**

Inventek announces the obsolescence of the following product. The reason for the change is that Inventek is now shipping this device in tape-and-reel only and NOT in tubes.

Inventek Part	Description	LTB Date	LTS Date	MOQ	Suggested Replacement
ISM420R1-C33	SiRFstar IV GPS Receiver Module <b>Shipped in Tubes</b>	1-AUG-17	1-NOV-17	50	ISM420R1-C33-TR

Please provide your Inventek Sales Representative with your lifetime Last Time Buy (LTB) order requirements for the above products no later than the date noted in the above table. These orders are non-cancelable, non-returnable and cannot be rescheduled. Orders received after the Last Time Buy (LTB) order date noted in the above table cannot be accepted.

The last requested delivery date for these orders may not be later than the Last Time Ship (LTS) date noted in the above table. Due to inherent variations in yields, Inventek reserves the right to ship up to 5% under the original last time buy quantity, and this quantity will fully satisfy Inventek's obligation to deliver that product under this last time buy agreement.

All last time buy orders must be placed based on Inventek's minimum order quantity requirements per the above table. All prior commitments regarding Inventek minimum order requirements do not apply to last time buy orders. Inventek reserves the right to limit last time buy quantities based on capacity and material availability.
