**Re: Obsolescence of the ZPD40 and ZPT40 series**

Dear Valued Customer / Partner,

TDK-Lambda launched the ZPD and ZPT series of open frame dual and triple output power supplies 16 years ago. With the introduction of the CUT35 series four years ago, sales of the ZPD40 and ZPT40 have fallen significantly.

We recognize that as a past or current customer of these products, you may require additional units until substitution testing is complete or for service spares. We are offering a last time buy and ship opportunity as detailed in the table below:

Part Number	Replacement *	Last time buy date	Last shipment date
ZPD40-512	CUT35-522	31 <sup>st</sup> October 2021	30 <sup>th</sup> April 2022
ZPD40-524	CUT35-522 **		
ZPT40-5125N	None		
ZPT40-51212N	CUT35-522		
ZPT40-51515N	CUT35-FF		
ZPT40-52412N	None		
ZPT40-5245N	None		
ZPT40-52412P	None		
ZPT40-3512N	None		

\* See datasheets for model differences

\*\* Leave common terminal unconnected

Please understand that these orders would be non-cancelable and non-returnable and cannot be counted towards future stock rotations.
