## Product Change Notification

### PCN-MI-2034-2018

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
MI - Marking and Installation	BG2	Product Change Notification	Notify Distributors and Field	7/30/2018

*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

This is to notify customers that the country of origin for "ladder style" versions of the shrink sleeves (WMS family) will be changed from "Made in China" to "Made in the USA using imported components". We will continue to buy our endless tubing from our third party but we will be manufacturing it into the ladder format in our Harrisburg, PA manufacturing location.

As such, there are two changes (see pictures):

- 1) The tape color will change from green (old) to blue (new)
- 2) The carrier the sleeves are attached to will now be paper instead of plastic

The sleeves are the same material as before and all technical parameters concerning the placement of the sleeves on the carrier have been met.

#### Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

#### Transaction Dates

Date modification goes into effect from Germany:	6/1/2018
