

PRODUCT CHANGE NOTIFICATION

#PCN-IF-GPX4-14

Business Unit	Product Line Code	Type of Change	Action	Date of issue
IF	CK2	Mechanical	Notify Distributors and Field	5/30/2014

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description of Change:

The IDC/FLK locking latches utilized on legacy Phoenix Contact interface modules will be sourced from a new vendor. This is due to the previous vendor eliminating the latches from the product portfolio.

The current connectors are in color beige. The future latched will be light grey. This change is primarily cosmetic in nature and not impact the function of the interface module or cable connection to the module.

This transition will take place over the course of the second half of 2014; beginning in June 2014.

Warranty Information:

Stock Status

Can existing stock still be used? Y

Is mixture of stock acceptable? N

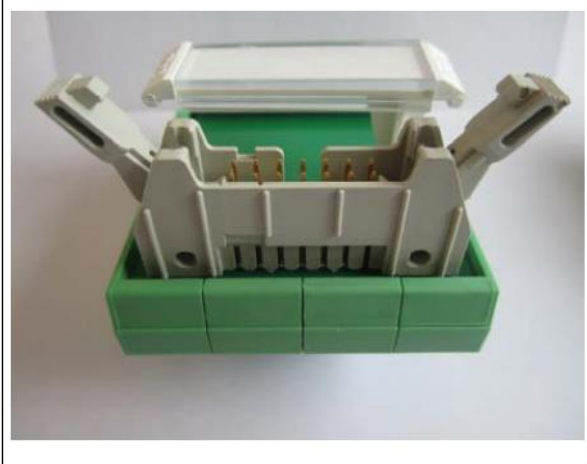

Transaction Dates:

Date modification goes into effect from Germany: 6/2/2014

Expected first shipment (from Phoenix Contact) of the modified product(s): 6/2/2014
