Bourns® Model F Series 5-Pin Solid-State Overcurrent Surge Protectors to be Discontinued

Riverside, California – August 30, 2021 – In accordance with our ongoing product lifecycle management procedure, Bourns will transfer the [Model F Series 5-Pin Solid-State Overcurrent Surge Protectors](#) to an End of Product Life status effective immediately. A lack of sales volume due to the copper based communications industry decline necessitates this action. A list of affected part numbers is included on the following page.

Regrettably, no replacement part numbers are available at this time. Orders for these discontinued part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
