OS-IN-2015-001

Harmonization of product datasheets containing InGaN Technology

Objective	Harmonization of product datasheets containing InGaN Technology
Products affected	Please refer to the attached device list
Background	<p>In order to have a unique appearance of OSRAM OS datasheets, affected product datasheets containing InGaN Technologies will be updated to actual OSRAM OS document standard. In this context the typical characteristic curves for Brightness, Voltage and Color in the datasheet will be updated if necessary based on the latest measurement results. Minimum and Maximum Specifications are not affected.</p> <p>For details please refer to the updated datasheets with revision date later than 2015-02-01.</p> <p>There is no change in physical outlines and materials of the affected LEDs.</p>
Time Schedule	All updated datasheets will be available latest 2015-05-01.
