

Dear Customer,

With this INFINEON Technologies Information Note we would like to inform you about the following

Temporary change for EconoPACK™ + D-series blister packing

N° 080/17

Temporary change for EconoPACK™ + D-series blister packing

► **Products affected:** All EconoPACK™ + D-series Modules
All EconoPACK™ + D-series Modules with TIM

► **Detailed Change Information:**

Subject: Each package is additionally taped up with an adhesive tape.

Reason: Safeguard the functionality of blister packaging and avoid self-opening of the package.

Description: The blisters will be taped up by ESD tape. The tape will fix both sides of the blister packaging.

Old:

New:

► **Product Identification:** No change in SP ordering number.

► **Impact of Change:** No impact on electrical performance of the products as only the packing of the products will be changed. There is no change in form, fit and function.

► **Attachments:** none

► **Intended start of delivery:** From June 2017 onwards until end of September 2017.

If you have any questions, please do not hesitate to contact your local Sales office.
