Subject: Change in Life Cycle Status to End of Life for Select Power Supply

Dear SL Power Channel Partner,

As part of our continued focus towards providing our customers and partners the highest level of service, quality and technology, SL Power is designating select legacy products to an End of Life (EOL) status effective immediately. These legacy products pose a risk for long term production, predominately due to component availability and evolving regulatory requirements. SL Power's next generation products offer a superior alternative in terms of technology, and are competitive.

The list of legacy numbers being designated as End of Life (EOL) is attached as an appendix to this letter, with relevant Last Time Buy (LTB) information. SL Power is also extending LTB period for select EOL part numbers as noted in the appendix to support ongoing end-customer migrations and recertifications. Please note that any LTB orders will automatically be considered Non-Cancelable Non-Returnable (NCNR).

SL Power recommends and encourages our customers and partners to plan to migrate to the recommended replacement products identified in the price list. These recommended replacement products meet the current stringent regulatory and technology standards. For additional information please visit www.slpower.com or contact your local SL Power sales support representative.

Please be assured that SL Power is committed to doing everything possible to minimize impact to you and your customers. We thank you for your continued support and look forward to continuing our support to your organization.

Sincerely,

Shri Chandrasekharan

Shrinidhi Chandrasekharan
Director, Global Product Management & Marketing
SL Power Electronics Corp

Appendix 1: List of part numbers designated as EOL effective March 29, 2019.

| SL Power Part Number | Deadline for Last-Time-Buy PO receipt | Deadline for Last-Time-shipment | SL Power Part Number | Deadline for Last-Time-Buy PO receipt | Deadline for Last-Time-shipment |
|----------------------|---------------------------------------|---------------------------------|----------------------|---------------------------------------|---------------------------------|
| GPM200DG | 31-Dec-19 | 30-Jun-20 | PW300KA0012F01 | 31-Dec-19 | 30-Jun-20 |
