| Method of Identifying Change            | Lot information on label  |             |              |

RELEASED

### After Change

#### Overview

- Originally Molex CD have shipped the part with guide plate in pre-lock position. In that case, we could not inspect the pin Z position in final-lock position. Molex CD would like to ship with guide Plate in final-lock position so that we can inspect the pin Z position in final-lock position.

- Product Impact: no impact to fit, form or function
- Part Number Impact: see attached impacted parts list
- Qualification Reports and samples available upon request after the date shown above
