Product Change Notification: P-17-014748

PCN Date: 17-AUG-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:  
 Manufacturing Location Change of Menlo Park Appliances Tubing FL2500 size NO.0 Products

Description of Changes  
 Manufacturing location change. Following Part Numbers will be transferred from Menlo Park USA to Shanghai PRC. This notification is to inform our customers that TE Connectivity is closing our Menlo Park facility in USA and moving the production to our Shanghai facility in China. The receiving facility is already an established Heat Shrinkable Tubing ( Tubing or Products ) manufacturing site with the Shanghai facility -since 1996.

Reason for Changes:  
 Dear Customer, we hereby inform you about a transfer of processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit- function of the concerned products. A TE-internal release test based on the relevant part specifications will be executed before delivery. As part of the production move, we will start to ship FL2500 size NO.0 products from 20th November 2017 from the Shanghai facility. After this date TE reserves the right to provide qualified products from any of the manufacturing locations during this transfer until the final closure date of Menlo Park location by the end of 2019. As not all part numbers will transfer at the same time customers may still receive products from the Menlo Park location after this transfer date due to the inventory we will carry to allow this transfer to happen and to minimize impact to our tubing customers.
