Product/Process Change Notice - PCN 16_0136 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Appendix A) that you may have purchased in the last 2 years. **Any inquiries or requests with this PCN (additional data or samples) must be sent to ADI within 30 days of publication date.** ADI contact information is listed below.

PCN Title: AD9572 Elimination of Cold Temp Test Screen

Publication Date: 04-Oct-2016

Effectivity Date: 21-Oct-2016 *(the earliest date that a customer could expect to receive changed material)*

Revision Description:

Initial Release

Description Of Change

ADI is eliminating cold temperature test screen @ -40 degrees C.

Reason For Change

ADI tested over 50k units from two different wafer lots and did not find any of the cold failures; a low voltage screen at room temperature has proven effective in its place.

Impact of the change (positive or negative) on fit, form, function & reliability

none

Product Identification *(this section will describe how to identify the changed material)*

1634

Summary of Supporting Information

Not applicable

Supporting Documents None
