

**Date:** March 16, 2018  
**To:** Bussmann series GKB-10A fuse customers  
**Subject:** End-of-life notification

Dear valued customer:

Effective immediately, the Bussmann™ series GKB-10A 10 Type pin indicating telecom fuse (UPC 5027590444187) has reached end-of-life. The recommended direct replacement is the Bussmann series 70N-10A fuse (UPC 5027590086035).

Any inventory of existing product is saleable and should not be returned.

If you have any questions concerning this notice, contact [FuseTech@Eaton.com](mailto:FuseTech@Eaton.com), or your local Bussmann series product sales representative.

Kind regards,

Greg Brossier  
Product manager, power conversion and energy storage protection
