Please contact Telit Application Engineering team for guidance on replacement options. Telit will follow the schedule reported below during this EoL procedure:

**Build To Order date: August 01st, 2021**

From this date the product is available upon firm order (not cancellable and not re-schedulable).

**Last Buy Order date: January 31st, 2022**

Orders can be submitted until this date.

Acceptance of 'Last Time Buy' orders is subject to product availability and final confirmed quantities will be communicated one month after LTB date.

**Last Shipment date: July 31st, 2022**

Last shipping date that can be requested for scheduled orders, which were placed before the LBO date.

Given the current market situation and supply chain constraints, there could be some flexibility to extend the last shipment dates.

**End of Maintenance: December 31st, 2022**

The technical and commercial support for these variants will end on this date.

If you have any further question about the present communication, please contact Telit Technical Support or your Regional Sales Representative.

Best regards,

---
