

Product Change Notice

Asahi Kasei Microdevices Corporation (AKM) announces the change of LSI products. It is due to the close of the business of lead frame manufacturer used at our contract assembler, AOI Electronics Co., Ltd. The related products are as below.

We plan to produce the quantity of each product with the current lead frame for the forecast expectedly up to September 2022, which is given to us as of the end of June, 2021.

It would be inconvenient to customers, but we would appreciate your understanding.

Items See **Attachment 1**

Reason Change of the lead frame manufacturer due to the business closing of the current manufacturer at our contract assembler, Aoi.
