

Product Discontinuance Notification

Issue Date: November 15, 2020

Dear Valued Customer,

This letter serves as a notification that Sensata Technologies, Inc. has decided to discontinue the P158, P350, and PT255 products. As indicated below, some products have a recommended alternative and others do not have a direct recommended alternative. Our intent is to support these discontinued part numbers for a limited time in order to allow for future planning; therefore, we will offer a last time buy opportunity to support your needs.

The following part will be eligible for a last time buy order through February 15, 2021. Please submit all purchase orders by February 15, 2021, as any orders after such a date will not be accepted.
