## Product Discontinuation Notice - PKB5000W

DC/DC-converter technologies and components continuously evolve, offering smaller and more cost-efficient products with equal or better performance compared to older designs.

Flex Power Modules has taken a decision to discontinue the following products:

PKB 5110W PI*	3.3V, 30A / 90W
PKB 5111W PI*	5.0V, 20A / 100W
PKB 5113W PI*	12V, 10A / 120W

\* Including all options Positive Remote Control Logic(P), heat-spreader(HS), Lead length 4.8mm

Figure 1 PKB5000W PI QB  
Size LxWxH 58.4x22.9x9.91mm

More information about PKB5000W series, see:

<https://flexpowermodules.com/>

**The last date for placing orders will be 2021-05-10** and the last date for delivery will be **2022-05-09**.

Please read the respective Technical Specifications and consult with the local Field Application Engineer for assistance when introducing the new products. The recommended replacement for the discontinued products has higher performance compared to the respective PKB5000W series products.

**PKB5000W series potential replacement cross reference table**
