- Introduction of a new material for the gaskets of hoods/housings, alternative to the current one.

Overview:

- This document is to inform you that Molex HDC is introducing a new material for the gaskets of hoods/housings, Talkewei NBR6511. This is an addition to the current one which will be used as an alternative.
- This implementation will reduce the risk of potential delivery issues which could be the consequence of delivery delays because of the shortage on the market.
- The pictures on the left represents some of the involved products.
- Many part numbers are involved. *See attached the impacted parts list.*
- Form, fit & function of the product won't be affected.
- Qualification Reports and samples will be available upon request after the date shown above.
