Discontinuation Notice of Microscan HS-21, HS-41x, HS-51x Handheld Barcode Readers

OMRON Microscan has received an end of life notice from a key component manufacturer of the HS-21/41X AND HS-51X handheld products, and thus must announce the end of life (EOL) of the HS-21/41X and HS-51X handheld products as well as associated accessories. With the launch of the HS-360x handheld barcode reader in August of 2018, applications previously using HS-41x and HS-51x should be converted to HS360x.

Last time orders will be accepted until the end of August 27, 2018. This product will be supported until the March 2021.
