

EOL Notice – A02 Series & Accessories

Dear Valued Customer,

APEM, as a proud member of the IDEC group, are committed to providing the highest quality products to our customers.

After more than 20 years of production, we have decided to stop the A02 Series and will be superseded by up-to-date models offered in IDEC's portfolio.

As a component manufacturer for HMI technology, we understand that evolution allows our customers to establish and maintain competitive advantages, achieve operational efficiencies, and provide superior customer service.

This EOL includes all A02 product range and its accessories:

- Push buttons
- Indicators
- Rotaries/Keylocks
- Mushroom Head Push Buttons

A last time buy is possible until December 31, 2019 with deliveries running until June 30, 2021.

Regards,

Ryan Chiarelli
Product Manager
