Re: Obsolescence of HWS15-150, HK-A, VSB, ZWS5-300, ZWSAF, ZWSPAF and PFE700S Series

Dear Valued Distributor,

TDK-Lambda has received EOL notices for key semiconductors and control ICs used in our HWS15-150, HK-A, VSB, ZWS5-300, ZWSAF, ZWSPAF, PFE700S power supplies, despite negotiations with these suppliers to provide alternative sources of supply.

We have used this as an opportunity to improve the performance of HWS15-150 and PFE700S series, including efficiency, and the new replacements are drop in replacements. Other models we are offering our latest products as alternatives.

A listing of the models and the replacement parts can be found in subsequent pages.

TDK-Lambda recognizes that as a Distributor, you have past or current customers of these products, and may require additional units until substitution testing is complete or for service spares. We are offering a last time buy opportunity until September 1<sup>st</sup>, 2015, with a last time ship date of March 1<sup>st</sup>, 2016.

Please note that although the distribution contract states you have 60 days to return products from this notice, we are offering an extension to one year from the Last Time Buy date (Sept 1, 2016) in order to support you and your end customers & reduce your inventory risk.

Please contact our technical support for additional information. 1-800-526-2324 or email [lambda.techsupport@us.tdk-lambda.com](mailto:lambda.techsupport@us.tdk-lambda.com)

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Tillman', enclosed within a hand-drawn oval.

Tom Tillman
