Overview

- The previous change notification, PCN 505339, release March 14, 2018, related to packaging change included the new MLQ and DU values for multiple part numbers. However, there were some part numbers on the list with erroneous MLQ and DU values. This change notification includes the correct MLQ and DU values for the affected part numbers.
- Please review the New Quantity Template sent with this notification for changes to the delivery unit.
- Product Impact
 - This packaging change has "no impact to fit, form or function" of the parts.
 - No changes are being made to the parts.
- Part Number Impact
 - This correction only impacts select part numbers from the previous PCN

Please review the parts list included with this notification for the materials that are impacted
