Computer power cord with left-angled C13 plug allows connection of a PC, monitor or printer in a tight space or at an awkward angle.

Features

Desktop Computer Power Cord Connects PCs, Printers, Monitors and Other Equipment This desktop computer power cord is designed for computers, monitors, scanners, printers and other compatible peripherals. It features a left-angled C13 end for connecting to a device and a 5-15P plug for connecting to an AC power source. The 6-ft.
