

Overview

The purpose of this notification is to communicate that Xilinx[®] is discontinuing selective CoolRunner™ XPLA3 CPLD device package pin. This product discontinuation notice (PDN) applies to all speed and temperature-grade variations in the stated package pins.

Description

Xilinx's substrate manufacturer will discontinue the production of substrate used in XCR3384XL-FG324 leaded package. The volume for this device package pin has been declining with inconsistent run rate for the past 9 years.

This notice should be used in conjunction with previous discontinuance notices which can be found at Xilinx.com.

Products Affected

The following part numbers will no longer be orderable:

Table 1: Products Affected

Part Number	Replacement Part
XCR3384XL-7FG324C	No replacement part
XCR3384XL-10FG324C	No replacement part
XCR3384XL-10FG324I	No replacement part
XCR3384XL-12FG324C	No replacement part
XCR3384XL-12FG324I	No replacement part

Key Dates and Ordering Information

- Final orders (LTB) are accepted until December 31st, 2021, subject to material availability.
- Regardless of the date an order was placed, an order that remains open on or after October 31st, 2021 will be deemed Non-Cancellable, Non-Returnable (NCNR).
- Final deliveries (LTS) must occur on or before June 30th, 2022.
- Return Material Authorizations (RMA) for replacement devices due to quality issues will be accepted until December 31st, 2022.

Response

Customers are requested to place last-time-buy orders in a timely manner prior to the key dates listed above to avoid product availability issues. If you anticipate that your last time buy requirements will exceed the current rate, please provide your Xilinx Sales Representative with a forecast of the requirements. All orders will be supported on a first-come, first-served basis with the non-cancellable and non-returnable (NCNR) condition. For additional information or questions, contact your local Xilinx Sales representative.

Important Notice: Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the Support website (<http://www.xilinx.com/support>). Register today and personalize your "Documentation and Design Advisory Alerts" area to include Customer Notifications. Xilinx Support provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to [Xilinx Answer Record 18683](#)
