Optimize heavy|mate M Series Quintax-contact carrier

Dear Sir or Madam,

We continually strive to improve our products. Therefore we are taking constantly direct measures to optimize our product range.

Due to this optimization Quintax contactcarriers of the heavy|mate M series will have an optical modification, without any changes on their technical function or specification.

Pics and p/n below

The actual parts will be replaced by the new ones after using up existing stock

With best regards,

Amphenol-Tuchel Electronics GmbH
