

# Change Notice

# LP01, YB, & YB2 Series

## Change of Base Material, Color, and Addition of Tab

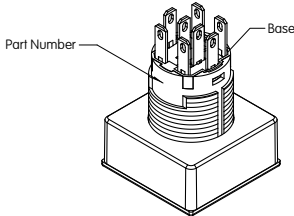

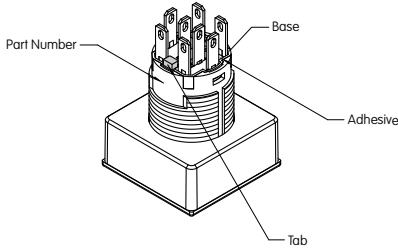

Type of Change:

- Engineering     Part Number
- Product         Appearance

The material and color of base will change and a tab will be added.

**This change will affect the following products:**

All LP01, YB, and YB2 Series illuminated pushbuttons (including custom products).

Material and Color Change of Base - Addition of Tab	
Before Change	After Change
<p><b>Base Material:</b> Diallyl Phthalate  <b>Base Color:</b> Green (silver contacts)                      Red (gold contacts)  <b>Adhesive Color:</b> Black</p>  <p>The diagram shows a pushbutton assembly with a cylindrical base and a square mounting base. Labels include 'Part Number' pointing to the top of the assembly and 'Base' pointing to the cylindrical part.</p>	<p><b>Base Material:</b> Fiber Reinforced Polyamide  <b>Base Color:</b> Black (silver contacts)                      Ivory (gold contacts)  <b>Adhesive Color:</b> Blue</p>  <p>The diagram shows the updated pushbutton assembly. It features a cylindrical base with a square mounting base and a new 'Tab' on the side. Labels include 'Part Number' pointing to the top, 'Base' pointing to the cylindrical part, 'Adhesive' pointing to the area between the base and the mounting base, and 'Tab' pointing to the new feature.</p>

- No change in material quality or specifications.
- Contact NKK for further details.

**Effective Date**

Change will be effective with March 2013 production.
