**Subject: Last Time Buy (LTB) Status: ZGFI7101JBT, ZGFI7101PBT Ground Fault Interrupt Products**

Dear Valued Customer:

Due to lack of manufacturing capability, please be advised that the ZGFI7101JBT (8-pin SOIC) and ZGFI7101PBT (8-pin PDIP) are transitioning into an end-of-life status (EOL), and Zilog is offering a last time buy (LTB). There are no suggested replacements for these parts.

There is a limited amount of inventory available for immediate delivery and last orders must be received by Zilog no later than July 10, 2015 for delivery no later than September 10, 2015. Orders are non-cancelable, non-returnable (NCNR) and cannot be rescheduled once the order is acknowledged.

Should you have questions regarding this matter or need additional assistance, please contact [zservice@zilog.com](mailto:zservice@zilog.com).

Thank you for your continued interest in Zilog products and services.

Sincerely,

Sonia Daley
