DESCRIPTION OF DISCONTINUANCE:

Würth Elektronik will terminate above listed products and replace them by alternative pre-crimped cables made from UL AWM style 1061, which will ease their insertion into the corresponding housings.

The alternative products will already be available beginning November 2015.

To schedule the last time buy quantity we expect to receive within 60 days of delivery of the PTN the required last time buy quantity to ensure product availability. According to the JEDEC-Standard JESD48C we allow a period of 6 months from the notice to place the final orders and 12 months from the notice for final shipments. For all orders of discontinued products (EOL) the non-cancelable and non-returnable (NCNR) procedure applies.
