Product Change Notification

1. ECR #: 211640
Notification #: 622

2. Date of Announcement: May 26, 2022

3. Series:

- QFSS - .635mm DOUBLE ROW SHIELDED TERMINAL STRIP
- QFS - QFS .635mm STRIPS

4. Part #'s Affected

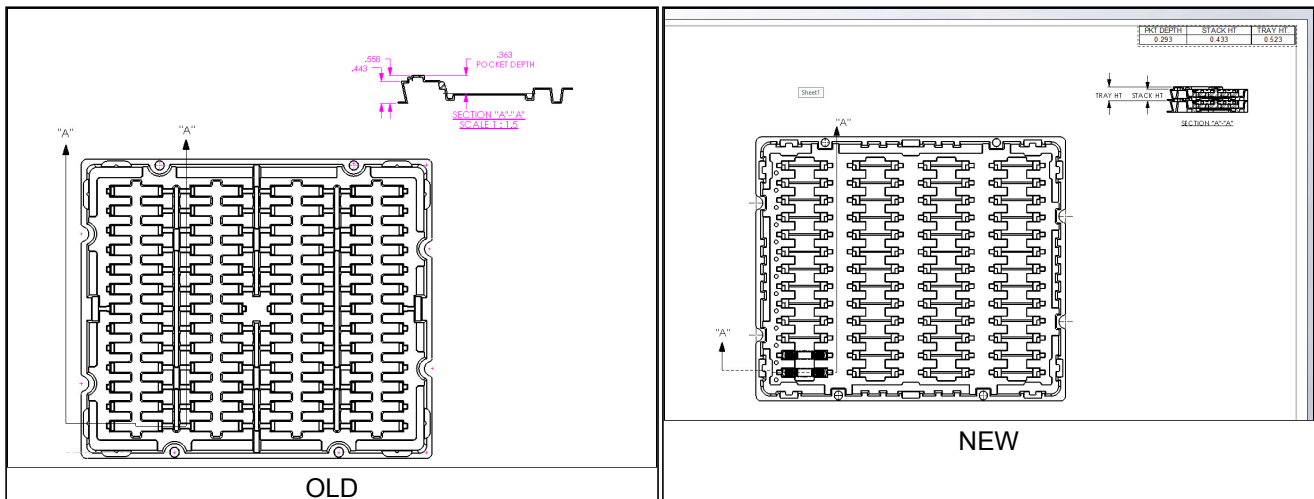

- QFS-032-04.25-X-D-DP-A
- QFS-052-04.25-X-D-A
- QFS-052-04.25-X-D-A-P
- QFSS-032-04.25-X-D-DP-A
- QFSS-052-04.25-X-D-A

5. Description of Change:

Update tray to the current design standard which means changes to pocket depth, tray height, and stack height.

6. Method of Identifying Change

Pocket depth change from 0.363" to 0.293" ; tray height change from 0.558" to 0.533" ; stack height change from 0.443" to 0.433"

7. Reason for Change:

The current design standard and resulting changes allow the tray to hold the part more securely and with greater stability.

8. Impact of Change on Form, Fit, or Function:

- Fit - Pocket depth , tray & stack height

9. Projected Implementation Date: August 24, 2022

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
