Subject: Update on Transition of 3M™ Three-Wall Header, 3000 Series

For 3M's transition of the manufacturing operations for connectors, please be advised that 88 parts representing the entire 3M™ Three-Wall Header 3000 Series should be ordered using the new Southeast Asia (SEA) Source of Supply (SoS) Legacy SKUs and SAP IDs beginning on Friday September 24, 2021. Please refer to the list in Appendix A for the transition status and cross-reference list for all parts being transitioned in this wave. This is also available through bCom. The end user/customer must determine whether the transitioned SKUs are suitable for their intended applications.

Please reach out if you have any questions or concerns regarding the transition.

Thank you for your continued partnership with 3M.

Brent Gossett
Key Account Manager
3M Electronics Materials Solutions Division
