Date: April 29, 2021

Subject: April 2021 Product Obsolescence Notification

To:

Product Obsolescence Information:

Cypress announces the obsolescence of select products from its portfolio resulting from an internal review and business decision to discontinue support. The affected part numbers are listed in the attached file. Last Time Buy (LTB) and Last Time Ship (LTS) dates are provided for each product. The LTB date denotes the last day on which orders will be accepted; these orders may be scheduled for shipment through the LTS date provided. “NCNR Date” provided in attached list of affected parts is the date that the part will shift to Non-Cancellable; Non-Returnable (NCNR) terms and conditions. If the table denotes “NCNR”, that means part is already NCNR.

The part listed as the “Drop-In Replacement Part” will perform the same task but with improved or revised technology; or manufactured at a different site. The part listed as the “Next Best Alternative Part” is the recommended replacement that may have some features or functions that are different and may require board re-design.

Please see the attached file for a list of part numbers, Last Time Buy Dates and Last Time Ship Dates.
