

July 17, 2015

Cinch Authorized Distributors

Due to tooling issues for one of the components, Cinch can no longer manufacturer several Jones Plugs connectors, which are listed below. Effective immediately, these part numbers are discontinued. Please make the appropriate changes in your system. If you have any of the discontinued part numbers in stock you have 30 days to request an RMA. Please note the parts need to be in good condition and purchased from Cinch within the last two years.

S2408HSB	S2408SB
P2408HSB	P2408SB

Cinch apologizes for any inconvenience this may cause you or your customers.

Sincerely,

Pam Bauch
