

Product Change Notification

TE Connectivity

Product Change Notification: P-19-017776

PCN Date: 19-AUG-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Connectors, Contacts and Accessories for Aerospace and Defense

Description of Changes

Dear Valued Customer, TE Connectivity (TE) has started to rationalize the final assembly line from our facility in Toulouse, France to our existing facility in Bangalore, India, for our Standard MIL Products. It is important to note that both our Bangalore and Toulouse plants are listed as Category C authorized VAD facilities on our QPL status managed by DLA for MIL-DTL-38999 series III (DTS and ACT) connectors, MIL-DTL-26482 series II (AFD) and MIL-C-83723 series III (DL). The part numbers listed below are being transferred. Current Location: Compagnie Deutsch Distribution, 12 Rue Caulet, Aeroparc Saint-Martin, 31300, Toulouse, France-Symbol (CDD9). New Location: Deutsch India Power Connectors PVT LTD, Sahasra Shree, Plot No. 88P, Export Promotion Industrial Park, Whitfield Road, Bangalore-560066, India.

Reason for Changes:

TE continues to invest in its global operations and supply chain capabilities and create Centers of Excellence with connected value streams that provide our customers with improved service levels. After conducting extensive analysis, we reached the conclusion that this migration of the final assembly line would help us to optimize our capability to drive operational performance and deliver better value to our customers. Compagnie Deutsch Distribution will remain an active legal entity as a distribution center for TE to support EMEA AD&M customers. Should you have any questions, please contact your local sales support. TE thanks you for your business in the past and looks forward to supporting your future electrical and electronic interconnection needs.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	21-OCT-2019
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	31-DEC-2019
