Change Notice: **Packing changes for the 3M™ 3490-X series Pull Tabs**

Dear Valued 3M Customer,

We are giving our customers official notice that effective **August 5, 2019**, 3M will be changing all Minimum Order Increments on the 3490-X series Pull Tabs from 100 to 1000 pieces.

Change details

Due to factory, packaging, and system constraints 3M will no longer be able to sell the inner quantities of 100 pieces for the 3490-X series Pull Tabs.

What does the customer need to do?

Future purchases need to be placed in the full box quantity of 1000 pieces. Please update all internal systems to reflect the new Minimum Order Increments. 3M will update bCom and published Price Pages.

If you are not the correct contact for these products, please forward to the responsible party in your company.

If you have questions relating to this notice please contact your 3M Key Account Manager or Customer Service Representative who will be pleased to help you.
