

TE Connectivity

Product Change Notification: E-18-016452-C

PCN Date: 12-MAR-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
480416_HOUSING, RECPT, FASTON, .250 SERIES

Description of Changes
Due to the global market shift from UL-V2 resins to UL-V0 resins, TE will be consolidating resins globally eliminating UL-V2 housings and offering UL-V0 alternatives in response to this shift. All new UL-V0 alternatives will meet or exceed the performance levels of the UL-V2 housings being replaced. The following part numbers are being superseded. A last time buy opportunity is provided as per the dates stated thereafter. Please note that new conditions may apply, please contact your local customer sales representative for a quotation.

Reason for Cancellation:
In order to allow customers more time to approve and transition to newly proposed V0 alternatives, we are pulling back our plan to supersede the impacted V2 housings until later this year. We will continue to support both V2 and V0 alternatives at this time. Our new plan is to target Oct 1, 2019 for this transition giving customers enough time to make needed changes. We will send new notifications prior to the new implementation date.

Part Number(s) being Modified:

Part Number	Part Discontinued per PCN	Customer Drawing	Customer Part Number	Alias Part Number(s)	Substitute Part Number	Substitute Alias Part Number(s)	Description Of Difference
2-480416-2	YES				2-480416-5		Material
2-480416-2	YES				2-480416-5		Material
