Product Change Notification: E-19-006192

PCN Date: 24-APR-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Metrimate Square Grid Socket Headers & Power Distribution Connector

Description of Changes

Change the housing material from a red color UL 94 V-0 rated PA6/66 to a black color UL 94 V-0 rated PA66.

Reason for Changes:

Product Improvement. The material manufacturer has discontinued the red color material. The original material was naturally red in color due to the flame retardant used in the raw material. The new material uses a different flame retardant that is not naturally red in color. This change in flame retardant is the reason for the color change from red to black.
