PCN Date: 02-JUN-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Obsolete Faston Accessories - 601989, 601985 and 601716

Description of Changes

CommScope is completely exiting the Faston business because it is not profitable or strategic. A number of years ago, we discontinued the vast majority of the Faston products except for a few parts that continued to have limited sales. We are now discontinuing those remaining products and offering a last time buy date on orders received prior to September 2, 2016.

Reason for Changes:

Part status change. The four Faston tabs will be discontinued - 3-601989-1, -2 and -3 and the 601989-3. The Faston F-B 6 jumper tab (601985-2) is also being discontinued.
