The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

In the interest of ongoing product improvements, the hinged covers pre-installed on the HEAVYCON B-Series (B06, B10, B16, and B24), as well as D-series (D15 and D25), have changed their geometry as well as their base material. They now use black polycarbonate (PC) instead of black polyamide (PA) as their base material. These changes have granted a new level of strength and durability.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates

Date modification goes into effect from Germany:	11/16/2020
