Product Advisory   Otii Premium SW

This is a formal notification regarding a product supplied by Qoitech AB. Our records indicate that your company has purchased one or more of these products.

Please read this notice thoroughly to determine what impact this change may have on you in regards to your currently owned product or future purchases from Qoitech.

Affected Products

Product	Description	Revision level
OTII-PREMIUM-SW	Otii PREMIUM SW	Version 2.5.2, April 3rd 2019 for macOS Mojave and High Sierra, Ubuntu 18.10 and 18.04 (64-bit) and Windows 10 and 7 (64-bit)

Background

Otii Premium Software OTII-PREMIUM-SW   will be discontinued by 2019-04-30 due to changes of the business model.

Changes Made to Product

Otii Premium license will be discontinued. Otii Premium SW capabilities are supported in Otii Enterprise solution, which can be acquired only through Qoitech directly. Existing clients of Otii Premium SW will be offered to upgrade to Enterprise solution for the next annual renewal. Please contact sales@qoitech.com for more information.

The enterprise license has, besides all the features of the premium version, also additional feature of a TCP based API, making it possible to integrate to existing systems and applications. The API framework supports languages such as Python, Java, Matlab.

Enterprise version includes Otii Enterprise HW (same as Otii Standard HW), Enterprise SW (same as Otii Premium SW and with additional features) together with the switch board required for advanced functions such as Continuous Integration. Hardware and Software maintenance together with support is included in Enterprise version.

Customer Impact

Existing clients of Otii Premium SW will be offered to be upgraded to Enterprise solution for the next annual renewal. Please contact sales@qoitech.com for more information.

Additional Information

For additional information or assistance related to this change, please contact Qoitech Technical Support at Support@qoitech.com or Sales at sales@qoitech.com.
