Product Discontinuation Notification
3M™ Replacement Particulate Filter 5P71-6, P95 72 EA/Case

Dear Valued Customer:

Due to limited demand for this particular packout, 3M Personal Safety Division will be discontinuing the 3M Replacement P95 Particulate Filter 5P71-6 packout immediately. Orders received after this date will be fulfilled only if there is remaining product inventory on hand and will not be accepted after inventory has been depleted, which we expect will occur over the next 1-2 months.

While this particular product packout is being discontinued, 3M continues to offer the same product sold in a case of 100 rather than 72. See table below.

Product being discontinued:

Part No.	3M ID	Product Description
5P71-6	7010301693	5P71-6 P95 PREFILTER 72 EA/CASE

Possible replacement option for your consideration:

Part No.	3M ID	Product Description
5P71	7000002054	5P71 P95 PREFILTER 100 EA/CASE

3M strives to provide the highest quality of respiratory protection products in the marketplace, and we regret any inconvenience this product discontinuation may cause in servicing your customers. If you have any questions regarding this product discontinuation, please reach out to 3M.

Visit 3M.com/WorkerSafety to see further product information and resources.

Regards,
